

We are The Red Hot Copy Peppers!

As true fanatics of the Red Hot Chili Peppers, we have put all our energy and passion into recreating an authentic live RHCP performance. Our show has been lauded by fans as being just as good as the real thing! Very few tribute bands in the world put in the work and effort like we do to bring a world class show to your venue!

The band was born when two Dublin (Ireland) based musicians bonded over their love for the Chilis. After recruiting additional members and after hours upon hours of rehearsals, the Copy Peppers were ready to hit the stage. The band features musicians from Los Angeles, Brazil, Hungary and Dublin.

From our humble beginnings in Dublin City, we have gone on to play at numerous locations far and wide. From pubs and clubs to open air festivals, we deliver an energetic and impassioned performance every single night. We believe that the music of the Chilis brings people together in the spirit of joy and fun and we want to spread that message to as many people as possible.

In our repertoire we cover every era of the Red Hot Chili Peppers. We play a show of up to two hours featuring all the hits and some gems and fan favourites too.
